

Dear Prayer Family,

Galatians 6:9 And let us not be weary in well doing: for in due season we shall reap, if we faint not. This verse reminds us that reaping always follows sowing, and comes in its "due season.

We have seen several children make a profession of faith in the last couple of months. Each of these children has been exposed to the Gospel for quite some time. **Please pray** for Avalon, Kasey, Nathan, and Caitlin. Each of these children made a profession of faith during our Wednesday night children's program. Another special blessing is that each was dealt with by their group leader. It is a joy to see others reach children with the Gospel of Jesus Christ. Please pray for us as we not only strive to reach children with the Gospel of Christ but, equip and encourage others to do the same.

Two families that were reached through their children are now using their family vans to bring children to Church. **Please pray** for the Butcher and Kroen families.

On October 18 we passed out over 100 water bottles with a label containing our Church name and address at a local soccer game. On October 31 we were able to give out 200 "Grace Treats" bags. Each bag contained candy and a Gospel tract. **Please pray** that God will use these water bottles and "Grace Treats" to bring Children to Him.

It is a blessing to work with a Pastor and Church that are concerned about reaching our community with the Gospel of Jesus Christ. **Please pray** for Grace Baptist Church and Pastor Dale Thatcher.

So many of our Native American children will come to our Wednesday night Children's Program but, cannot come to Sunday services. **Please pray** that we can get Wrashay, Wradel, Stephanie, Antonio, and Amy to see the need to come more faithfully on Sunday morning. Dalia and Leticia are now coming to all services. **Please pray** for their salvation. Also, **please pray** that we can reach their families.

Please pray for our upcoming Christmas program. Our play, "Christmas at the Mall" was written by a lady in our Church. Our young people are excited about doing the play. Each actor is allowed to ad lib their lines and this adds a personal touch that we pray will be effective in presenting the message of Jesus Christ. We are also going Christmas caroling on December 20. **Please pray** for fruit in due season.

We were recently sent two boxes of hand knitted mittens and caps. **Please pray** that God would use the labor put into these gifts to reach Native American Children for HIS glory.

Please pray for our finances. A considerable portion of our support has been lost due to economic conditions. **Please pray** for Bible preaching Churches as they

balance lowered giving with the needs of the Church and the needs of missionaries around the world.

We are getting ready for Thanksgiving, Christmas and 2009. We pray that you and yours have a very blessed and Godly Thanksgiving, Christmas, New Year's Season. Thank you for your love and support during 2008.
